Name of Licensee:	Garden State Magnetic Imaging	
Name of Participant(s):	Charles Anthony Giomuso, RSO listed on license	
Telephone No.	Cell: 216-272-4669. Business: 888-934-1871	
Subject: <small>(NOTE: This will be used as the Documents Title in ADAMS)</small>	Called to discuss questions from site inspection visit on Feb 9, 2006	
Summary:	<p>At licensee site, Office Manager Nash Khan had told me they planned to inject Tc99m for patient imaging. License does not permit this use, so I wanted to discuss with RSO. (Licensee currently has no rad material for this 1 yr old license, as construction of facility is not complete). Mr. Giomuso stated he had sent a letter to NRC in 2005 to inform that he no longer was affiliated with the licensee in any way, having not been paid for services rendered. He also stated that the same business owner of this licensee owned another licensee in Hackensack, NJ. His letter also stated he was no longer associated with that license as RSO. Giomuso did not recall what license that was, but said he would send me a copy of the letter he had sent. I was not able to find any letter from him on this subject, via searching ADAMS.</p>	
Action Required:	TJJ to followup with Mr. Giomuso regarding letter he sent to NRC and other affected license. When received, information will be placed into docket files.
