Subject: Question About Binning

Ted,

The bin categories are as follows:

- #1 - PERCEIVED LACK OF FREEDOM TO RAISE SAFETY CONCERNS TO PSEG MANAGEMENT
- #2 - PRODUCTION OVER SAFETY ISSUES
- #3 - SCHEDULE PRESSURE ISSUES
- #4 - LABOR - MANAGEMENT ISSUES
- #5 - INDUSTRIAL SAFETY ISSUES

I don't see a bin for potential procedural / regulatory violations. However, it looks like the SM/OS industrial safety issue raised on 12/2/03 (p. 48 - 56) could (or possibly should) fall into such a category since it alleges non-compliance with written instructions. Is there a need to catalog these types of issues differently?

Peter
