Subject: "Preliminary Agenda for Westinghouse Fuel Performance Update Meeting on April 4-6, 2006"
(Proprietary/Non-Proprietary)

Dear Mr. Akstulewicz:

Enclosed are copies of the Proprietary/Non-Proprietary version of the Preliminary Agenda for the Westinghouse Fuel Performance Update Meeting that has been revised to reflect the new date of April 4-6, 2006 at the Westinghouse manufacturing plant in Columbia, South Carolina. The meeting date was changed due to a conflict that the NRC had with the previous date of March 21-25, 2006. The presentation material for this meeting will be similar to that provided in prior Westinghouse Fuel Performance Update Meetings; please see the following reference for the presentations sent in 2005 which can be used along with the preliminary agenda for proprietary determination of the March 21-23, 2006 meeting: LTR-NRC-05-47, August 12, 2005.

Also enclosed is:

1. One (1) copy of the Application for Withholding, AW-06-2097 Rev. 1 (Non-Proprietary) with Proprietary Information Notice.
2. One (1) copy of Affidavit (Non-Proprietary).

This submittal contains proprietary information of Westinghouse Electric Company LLC. In conformance with the requirements of 10 CFR Section 2.390, as amended, of the Commission's regulations, we are enclosing with this submittal an Application for Withholding from Public Disclosure and an affidavit. The affidavit sets forth the basis on which the information identified as proprietary may be withheld from public disclosure by the Commission.
