Subject: Re: Fwd: PSEG letter

1. The mailed copies of Ferland's letter were received mid-day on Monday. The letter was placed in ADAMS under accession no. ML040580600. I'm unaware of any other electronic version.

2. I am unaware of any NRC effort to provide an interim response prior to the meeting.

Please see the attached questions from the allegor. I should probably get back to her today. Based on my knowledge so far, I am assuming:

1. All we have received so far is the faxed version of the PSEG 2/27/04 letter, and that when we do get the official version, it will not be in electronic form, and;

2. We are not planning on sending PSEG an interim response in advance of the meeting.

Please get back to me as soon as possible with the answers to these questions. Thanks.
