Please see the attached. NJ-DEP wants to meet with the allegor now that she has gone public. NJ has asked if we want to participate in the meeting. This is new ground for me. I would like management to weigh in on this. There are positives and negatives to partipating in such a meeting.

Bob:

Now that the whistleblower has gone public, we would like to meet with her. It might be advantageous to have NRC also at the meeting, since whatever she told us, we would have to pass along to you anyway. Does that seem feasible? Otherwise, we will have a quiet meeting (probably just Kent Tosch, Gerry Nicholls and I) and will write up our thoughts afterward and raise them.
