Salem / Hope Creek Allegation Effort

As of January 22, Region I has expended considerable efforts thus far on the review of the Salem / Hope Creek allegations, including the following:

Alleger Interactions

- In-depth day-long interview of alleger plus two followup interviews and two transcript reviews
- Multiple contacts with alleger to discuss allegation status and arrange for transcript reviews

NRC Followup Actions

- 39 interviews of current & former PSEG workers and managers
- 4 followup interviews of PSEG personnel
- Over 4500 pages of transcriptions from interviews, existing or in progress
- 4 person-months of OI investigator effort to perform interviews
- 3 person-months of technical effort to perform interviews
- 1 person-month of technical review of existing transcriptions
- Weeks of effort to review alleger-provided tapes and documents ← ok?
- Other law enforcement agency efforts to enhance alleger-provided tapes ↓
- 5 allegation review board meetings to evaluate allegations and progress
- Multiple communications to headquarters to update allegation review progress
