Subject: Salem / HC allegor on SCWE - public

The allegor in this SCWE case...has released the audio tapes that the individual collected. They were released to the Atlantic City Press, as a minimum.

We heard this from the plant...who has had numerous phone calls. Our public affairs has been informed. The plant response is "we do not comment on an issue which is under litigation"...
NRC response is "we do not comment on an issue under investigation".
