Randy, and Glenn,

Please give us two dates and times to offer SECY for a possible TA briefing.

Sometime before the Unplug Salem Event, we need to inform/remind senior mgrs and commissioners about the allegor's intent to go public.

I think the best way will be via a TA brief. We could brief the TAs on the event and what we know of the speech and, as background, distribute update talking points and Q/As from our jan 28th letter.

pls make sure we do this, and advise me of other ideas you may have.

thanks.
