Fitness for Duty Program Six Month Performance Report July – December 2005

PROGRAM SUMMARY:

The Grand Gulf Nuclear Station annual random testing rate is 50 percent. During this reporting period, approximately 24 percent of the population has been randomly tested. The rate of positive tests from random testing is 0.57 percent. The total random percentage for the year is 54 percent.

POSITIVE RESULTS:

Nine Pre-Access urine samples confirmed positive during this reporting period for cocaine or cannabinoids. In addition, eight individuals six (Pre-Access) , one (Random) , and one (For-cause behavior) tested positive for alcohol based on breath testing with one of these being further confirmed by Blood Ethanol (GC) testing.

MANAGEMENT ACTIONS:

Unescorted Access was not granted to the individuals that tested positive during Pre-Access testing. In each case where individual's tested positive, unescorted access was revoked, management was notified and the individual's files were annotated to reflect the positive results.

One licensed employee refusal to test in the Random testing process during this reporting period. Management was notified, the individual's Unescorted Access was terminated and the individual was denied Unescorted Access. Appropriate files were annotated to reflect the refusal to test.

Four for-cause tests were conducted during this reporting period. Three were based on observed behavior and one was based on the post accident testing process. In each case management was notified and the individual's Unescorted Access was revoked. The individual's files were annotated to reflect the test results.

Fifteen individuals were in the Follow-up testing process during this reporting period.

EVENTS REPORTED TO THE NRC:

During this reporting period, there was one reportable incident. A licensed Operator's Unescorted Access was pulled for refusal to test during the Random process.

PROGRAM EVALUATION:

No programmatic problems were identified during this reporting period. A multi-site audit was conducted during this reporting period.
