Subj: Application for Change of Address, License No.: 45-30986-01

Encl (1): NRC Form 313 for License Amendment

Dear Ms. Ullrich:

Please find enclosure (1) request for a change of address for the subject license.

Advanced Programs & Systems (APS) applied and received the Material License in anticipation of receiving a Navy contract to work on their chemical agent detector programs. Due to funding shortages, (Iraq, Katrina), no contract has yet been awarded. Therefore, APS is not using or storing any nuclear material at the time.

The address change effected on February 16, 2006 was dictated by a short-notice business opportunity. We sincerely regret any inconvenience caused and hope that it will not necessitate postponing our scheduled visit with you on March 3, 2006.

Thank you for your consideration and assistance.

Sincerely,

Rodney Dodd
Radiation Safety Officer
