SUBJECT: OI 4-96-022, UNITED NUCLEAR, ISSUED 11/25/96

Please review the attached OI report and retain your copy if you are going to be involved in follow-up discussions of this case. OI has closed the investigation based on the allegations not being substantiated. We will schedule a discussion of this case at a future ARB meeting after we have received a memo from OE providing its views. Our review should focus on whether any further action is warranted (i.e., investigation, inspection, or enforcement).
