

October 10, 1997

MEMORANDUM TO: Ross A. Scarano, Director, Division of Nuclear Materials Safety

FROM: Russell Wise, Senior Allegations Coordinator

SUBJECT: ALLEGED FALSIFICATION OF WINDBLOWN TAILINGS
SURVEYS AND DISCRIMINATION FOR IDENTIFYING
SAFETY CONCERNS (OI 4-97-046)
(RIV-97-A-0193)

OI has forwarded the attached report of interview for review and comment. Please review the transcript to determine whether any safety/technical issues were identified and whether those issues warrant additional review by NRC. Please provide a written response concerning the results of your review by October 24, 1997.

Should you have any questions, please call me or Len Williamson.
