Subject: Conversation with Dr. Harvin

Randy,

I spoke with Dr. Harvin this afternoon. She asked about whether we were reviewing the results of OI's investigation into her discrimination case. I told her that I had not yet seen it for the technical staff's review. I indicated that I would check with OI to find out the status of their review.

She requested that you call her at your convenience this week. She wants to discuss with you a recent conversation that she had with Hub Miller.
