If there are further emails on this topic, please be sure to include Tom Combs in OCA. I have forwarded this to him. Tom Madden is NOT in the office today... Tom Combs will be making the congressional notifications.

Subject: Advanced Copy of Comm Plan for Salem/HC Work Environment Letter

Attached is an advanced copy of the Comm Plan for the referenced letter. It's provided in three parts: 1) the sequence of notofications including responsibilities; 2) the key messages to convey with the letter; and 3) the background which includes selecetd verbiage of the text of the letter.

We believe this comm plan to be essentially complete. If additional clarifications are needed of the plan, they will be provided separately prior to starting the notification sequence. In other words, if you don't hear from us. Go with what is attached. Current plans are to issue the letter at 11:00 a.m.
