

Cassidy, O'Hanlon
Bakken, Anderson
Gardner, J. Carlin
Durr, Brothers
Selover

- Hut -
- Parley - summary of letter 1/28/04
 - discussion of pest assessment
 - good safety margins, but..... P1&R

PSE6 - Cassidy

Post Meeting Questions

- ① - 30 yrs - Co Nise Pwr
Early Reliability World Backlog - Ferland is CG2 + CoB
- Funding, Murks - *confusing*
↳ Hut - agree - in part, why we addressed letter to Corporate

- ② Lockbaum - ^{been monitoring} since 9/03
- were looking for a reason for patience
 - D-B looked better than this @ one stage
 - not critical on RI, hardly of the issue
 - RI doing a very fine job
 - concerned @ about what PSE6 did not talk about
 - 7 team - were asked to give two items to
 - ECP ^{so often} was left out
 - caffeine food + bathrooms + parking used

Hut - RSP findings

C-16

P. Blomch-

- positive comments
- pro-active -

M. Cohen

- shut am'down -

Lisa - Mary - comparing tools - one they looked at
same thing

- Independence of select v
- 10 projects - open door
- training - what training?

- ERB - M. Brothers

- ↓
- An initial perception she has of IAT is that it was commissioned to spin the negative from synergy + USA Deck positive
 - She wouldn't pay as much att'n to it as she would to how they assess + resolve results of synergy + USA
