11. If, at any time after the privatization date, the Corporation obtains information reasonably indicating changes described in the National Industrial Security Program Operating Manual, DOD 5520.22-M, January 1995 (NISPOM), Chapter 1, Section 3, 1-302(h), to the information previously submitted to NRC, described in the NISPOM, Chapter 2, Section 3, 2-302b.(1) through (11), the Corporation shall notify NRC in writing within 15 days.
 12. If the Corporation enters into negotiations for the proposed merger, acquisition, or takeover by a foreign person, the Corporation shall submit notification to NRC, in writing, within 15 days of the commencement of such negotiations. The submission shall include the type of transaction under negotiation (stock purchase, asset purchase, etc.), the identity of the potential foreign person investor, a plan to negate foreign ownership, control, or domination, and copies of any related loan, purchase and shareholder agreements, annual reports, bylaws, articles of incorporation, partnership agreements, and reports filed with other federal agencies.
 13. USEC, or its successors, as the Executive Agent for the United States for implementing the Russian HEU Agreement, shall notify NRC in writing within 15 days, of any termination or material change in the provisions of the "Memorandum of Agreement Between the United States Acting By and Through the United States Department of State, and the United States Department of Energy and the United States Enrichment Corporation, for USEC to Serve as the United States Government's Executive Agent Under the Agreement Between the United States and the Russian Federation Concerning the Disposition of Highly Enriched Uranium Extracted from Nuclear Weapons," entered into as of April 18, 1997.
 14. Notwithstanding footnote e to Table 1-3 of the Safety Analysis Report, the United States Enrichment Corporation is not authorized to conduct analysis of samples for offsite requesters or for Department of Energy sites unless it is related to uranium enrichment activities, including site remediation.
 15. The United States Enrichment Corporation shall review the decommissioning cost estimates and associated funding levels in October of each year and adjust the estimates and funding levels as necessary. If USEC determines that the existing financial instruments do not adequately cover the adjusted decommissioning cost estimate, USEC shall submit financial instruments to cover the new cost estimates by December 31st of each year.
 16. Deleted.
 17. The United States Enrichment Corporation (USEC) shall inform the Nuclear Regulatory Commission (NRC) in writing no less than 30 days before any planned reduction in the surveillance requirements of the Caretaker Project being conducted for the Department of Energy (DOE) for the installed shut-down and buffered cascade equipment in the X-326 Building. In addition, USEC shall inform the NRC in writing within 15 days of obtaining a result of a measurement, as part of the Caretaker Project, of a holdup quantity of uranium enriched in ²³⁵U equal to or above 10 weight percent in installed equipment leased by USEC from DOE, that is outside the measuring instrument's accuracy range.
