Lisamarie,

I just wanted to provide some details of the news coverage of the rally at Salem on Sunday. At least three reporters were there - a reporter for South Jersey Newspapers (stories run in the Salem Sunbeam, Gloucester County Times and Bridgeton Evening News), Fox29 (the Fox affiliate in Philadelphia, and WPVI TV (the ABC affiliate). News accounts say about 45 people attended. The WPVI coverage was cursory (Anti-nuclear activists held a rally at the Salem nuclear power plant today to mark the 25th anniversary of the accident at Three Mile Island.....) They showed brief footage of the allegger with no natural sound. Fox29 used several voicecuts of her speech. The newspaper coverage quoted her extensively.
