Subject: **Application for Material License - 2006**

To Whom It May Concern:

DDS ENGINEERING, PLLC submitted an application for material license for a portable gauging device for the year two thousand six (2006) on December 12, 2005. The submittal letter stated that attached to the letter was two copies of NRC Form 313 and the required application fee of \$1800.00. This letter was signed by our radiation safety officer, Don Pedigo.

I agree with the contents of that letter and the data represented in our application. If there are any further questions or concerns, please feel free to contact me.

Sincerely,

*Matthew H. Rogers* 2/16/06
