Subject: Fwd: Request for a Meeting

I spoke with Tom Lake from Salem/HC ECP. They would like to set a tentative date and time to meet regarding RI-2002-A-0097 (work environment in procurement area), for 11:00 a.m. on Monday 10/7/02. Tom indicated that he would like to check with Jack Carey, the soon-to-be former ECP Manager, who is not in their office today, to make sure that the schedule is OK with him.

[Rich Barkley indicated to me before I made the call, that Monday was an OK day for Glenn.]
