Rich, Glenn,

If they want a meeting, I don't think we have a choice. If you would like to handle it during a visit to the site, I have no problem with that; in fact, I prefer it. Just call Jack Carey and work out what you want to do. He's very easy to deal with.

Dave,

If Glenn or Scott Barber (my soon to be replacement) are up for it, I suggest we do the meeting. As an alternative, Ray or I could sit down with these guys at their site one afternoon next week and discuss the matter with them, with Vito and Fewell on a conference bridge while we talk.

I'll ask Glenn tomorrow what date works best for him.

Jack Carey called at about 3:30 p.m. on 9/19/02. He was calling in regard to their answer to our referral letter for RI-2002-A-0097. Mr. Carey stated that rather than writing a response that would resemble War and Peace, they would like to come to the Region to discuss the issue.

He provided the following dates and times: 10/4/02 around 9:00 a.m., 10/7/02 AM or PM or 10/8/02 around 9:00 a.m.

Mr. Carey would bring with him: Neil Bergh, QA Manager, Mike Huba, Manager, Supply Chain Management, Jeff Keenan, Legal Counsel, Torn Lake and of course, himself.

Mr. Carey (856-339-7937) will call Dave on Monday, 9/23/02 to discuss the issue.

Sharon
