<i>If there are any problems with this transmission, please contact Linda Goodwin.</i>	

I would like to pass the NRC reporting requirement on to our Cameco shippers in our other offices, but I could not locate the exact section in 10 CFR Parts 110 and 73. I would greatly appreciate if you could specify the section in each part so that I may forward this information on.

The following is the shipment information that I mentioned on the phone today.
