Re: Amendment Request for License No. 37-01665-01 (Control No. ~~137564~~)

MM

Dear Mr. Dwyer:

We are requesting the removal of condition 20 from the list of conditions of our license. We no longer have, nor ever contemplate obtaining any titanium or scandium tritide foil GC detector cells. These detectors have long ago been obsolete.

Sincerely,

Alan M. Rothman, Ph.D.  
Radiation Safety Officer  
Spring House Technical Center  
Rohm and Haas Company
