SUBJECT: REQUEST FOR APPROVAL TO WRITE-OFF A  
DELINQUENT DEBT (WRITE-OFF NO. FY2006-11)

Engineering and Environmental Service Group, Inc. was issued Invoice No. AM2900-04 on December 20, 2004, in the amount of \$1,150. On February 17, 2005, Engineering and Environmental Service Group paid \$500 on the invoice. Since the remaining balance was not paid in a timely manner, it was referred to the Department of the Treasury for collection. The Department of Treasury has returned the debt as uncollectible because the licensee is no longer in business and has no assets. I recommend this invoice be written off. This recommendation is consistent with 10 CFR 15.55(a) which states that collection activity may be terminated when it becomes clear that the NRC cannot collect or enforce collection from the debtor having due regard for the judicial remedies available to the NRC, the debtor's future financial prospects, and the exemptions available to the debtor under State and Federal law (e.g., out of business). The amount recommended to be written off is \$696.87 (includes interest, penalties, and administrative charges). If approved for write off, we will issue a 1099C to the IRS.

APPROVED:
