Re: U.S.N.R.C. Materials License no. 37-07905-04

Dear Sir/Madam,

Lankenau Hospital wishes to amend our Materials License to include the following manufacturer of Gd-153 line sources:

| Byproduct, source, and/or special nuclear material | Chemical and/or physical form | Maximum amount that licensee may possess at any one time under this license |
|----------------------------------------------------|-------------------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------|
| Any byproduct material permitted by 10 CFR 35.500 | Sealed Sources (Gd-153 North American Scientific Model MED 3601, Isotope Products Labs Model NES8412) | Not to exceed 300 millicuries per source and 800 millicuries total |

Should you have any questions regarding this request feel free to contact our consultant medical physicist, Tara Bachman, at 908-788-9440, ext. 49.

Thank you for your assistance.

Sincerely,

D.M. Diegnan
Fran Diegnan
Administrative Director, Radiology
