Subject: Database report - in-process Q&As

Donnie/Roy/Ken,

Attached is another update to the Q&A database, with 21 questions answered. Note that this report contains only items not previously completed or transmitted. This complements what was sent on Tuesday. In addition, please note that although not all indicate they have been approved by Don Warfel, all hard copies have been signed off as approved and the signature sheets will be available on Monday.

We will plan to send another batch tomorrow, with answers to most of the questions just asked on Tuesday. As before, since these are in-process, and part of the Audit process, we understand these are not being docketed at this time.

Please let me know if you have questions.

- John.
