RE: License Number 37-02584-01

Dear Sir or Madam:

We would like to make a change to our radioactive materials license. We are requesting the addition of Janet Tabas, M.D. as an authorized user. We are requesting Dr. Tabas be authorized for uses covered under 10 CFR 35.100, 35.200 and 35.300. Alle-Kiski Medical Center will perform only those diagnostic studies and therapy procedures permitted by 10 CFR 35.300 for which a patient can be released under the provisions of 10 CFR 35.75. Dr. Tabas is currently on the materials license for UPMC Passavant Hospital, license number 37-11887-02.

If you have any questions, please contact Margaret Blackwood. Ms. Blackwood can be reached by telephone at (412) 578-4247 or by email at msblackw@wpahs.org.

Thank you for your attention in this matter.

Sincerely,

Lorri S. Wildi
Vice President of Operations
