Dear Mr. Lawyer:

Per your conversations with Denise Phillips during our inspection and today I authorize Ms. Phillips to make the changes stated in her fax to you on March 14, 2006. The changes involved resubmitting room diagrams with additional information for Carilion Cardiology, Martinsville and Chapman Cardiology in Moneta, VA. Also concerning Chapman Cardiology, she stated to you on the phone today there is going to be a restaurant directly over the office for Chapman Cardiology. The location is in a strip mall on the lower level.

Ms Phillips also stated that Amendment 9 had been inadvertently left out by the NRC in numbering our last 2 amendment changes.

If possible, I would also like to authorize Ms Phillips or myself to sign correspondence to the NRC and State of Virginia as a management representative for Odyssey Imaging. If this is not possible I will sign all future correspondence to these agencies.

Please call me if you have any questions or concerns.

Sincerely,

Martin Hellkamp
