Ms. Campbell-

Thank you for the updated information.  
The Oyster Creek Nuclear Generating Station service list has been updated to reflect your requested change.

Ms. Sutton should begin to receive her copies of license renewal documents starting with documents issued after today.

Mr. Ashley,

The current distribution for the Oyster Creek Nuclear Generating Station license renewal application docketed information includes John Matthews of the law firm of Morgan Lewis. Would it be possible to change the name to Kathryn M. Sutton, Esq., rather than sending the documents to John Matthews or to add Ms. Sutton to the distribution at the same address for Morgan Lewis? Ms. Sutton is the lead partner at Morgan Lewis for the OCNLS LRA proceeding. Please forward this to the correct person who will be able to make the change. We appreciate your attention to this matter.

Thank you,

Patricia L. Campbell
