MEMORANDUM TO: Michael J. Case, Director
Division of Inspection and Regional Support
Office of Nuclear Reactor Regulation

FROM: Thomas H. Boyce, Chief */RA/*
Technical Specification Branch
Division of Inspection and Regional Support
Office of Nuclear Reactor Regulation

SUBJECT: CLOSEOUT ON ACTION PLAN FOR TSTF PROCESS

The purpose of this memorandum is to report completion of the items established in the action plan to address the results of a self-assessment of the Technical Specification Task Force (TSTF) process.

The goal of the action plan was to put in place processes that will effectively and efficiently use agency processes to project manage the TSTF process. This was accomplished by using the steps below.

- I. Preparing a plan and allocating resources.
- II. Analyzing and setting-up processes for incoming correspondence.
- III. Researching and setting-up processes for fee waiver requests
- IV. Establishing processes for administration of TSTF TACs and reporting
- V. Correcting data inaccuracies and replying to fee waiver requests
- VI. Drafting TSTF procedures

Enclosure: As stated
