**Subject:** Schedule Rev 3 Update

Attached you will find our update to the above listed document. It includes some formatting changes (for ease of presentation), name changes on the AmerGen side as well as additions to the NJDEP side based on conversations I've had with Karen Tuccillo. In addition, I've added the teleconference with Conectiv back in per recent conversations regarding applicability of the Conectiv line.

Finally, please have everyone remember to bring a government (State or Federal) issued photo ID. Also, and even though I have not been asked for it from the site yet, if I could please have the SS#'s for the people that would be going into the RCA, I would appreciate it.

If you should have any questions, please feel free to contact me at any time.
