Phone Conversation Record

Date: 3/1/06  
Time: 9:00 am

Project Name: Tank Farm WD  
Project No.: 2121.01

Time of Call: 9:00 am  
End Time: 9:10 am

Portage Employee: John Beller

Other Party: Bob Duke, Big Lost River Irrigation District Wastemaster

Subject: Operation of the Mackay Dam

Notes:
Bob Duke was asked if they ever do routine dredging of the reservoir behind Mackay Dam. He stated that they do not. He was asked if he was aware of any dredging that had occurred within the reservoir in the past. He was not aware of any.

Bob was also asked if he knew the expected or useful life of the reservoir and/or the design life of the dam. He did not know any specifics as to the design life or expected life but stated that they hoped the use the reservoir for many years to come.
