Dear Dr. Anthony:

With regard to your request to add Mr. James Nunn to the above license as an AMP, we have the following comments/questions:

- 1) Please confirm that Mr. Nunn has 1 full time year of training as a medical physicist, giving dates and locations;
- 2) Please confirm that Mr. Nunn has 1 full time year work experience in medical physics under the supervision of an AMP, giving dates and locations;
- 3) Please confirm that Mr. Nunn's training and experience has included decay corrections;
- 4) Please confirm Mr. Nunn's HDR vendor training in the use of the device (not treatment planning).

It is not clear from your current submission that Mr. Nunn has the 2 full years of the above training and experience. If it will be impossible or time consuming to get the above information, an alternative would be to submit a request to withdraw Mr. Nunn's name until such time as the above can be obtained. Thank you very much for your cooperation.

Sincerely,  
Richard McKinley
