U.S. Nuclear Regulatory Commission
Attn: Document Control Desk
Washington, D.C. 20555

Gentlemen:

**Subject: Notification of Name Change - Framatome ANP, Inc. to AREVA NP Inc.
(Docket 70-1257)**

Effective March 15, 2006, Framatome ANP, Inc. (FANP), the owner/operator of the nuclear fuel engineering and manufacturing facility located at 2101 Horn Rapids Road, Richland, Washington, is changing its name to AREVA NP Inc. The change is in name only and involves no change in company ownership or control.

Attached please find a list of NRC licenses, permits, and approvals specific to the Richland facility and impacted by this change. A similar listing of NRC licensed shipping container certificates and user registrations applicable to all of FANP's U.S. NRC-licensed facilities is being provided separately from FANP's Lynchburg corporate offices. If you have questions, please contact me on 509-375-8409.

Very truly yours,

A handwritten signature in cursive script that reads "Robert E. Link".

R. E. Link, Manager
Environmental, Health, Safety, & Licensing
