Subject: Amendment of Export License XSOU8716, Amendment No. 5

Dear Ms. Doane,

The Export License mentioned above recently was amended to extend the expiration date only. British Nuclear Fuels plc has since changed their Company name and condensed some of their operations. Therefore I would like to request another minor Amendment for the purpose of the name and address change of the Ultimate and Intermediate Consignee's. Janice Owens and Steve Dembek have been most helpful in assisting me with the amendment process. Please consider this a formal request to amend this license as Amendment No. 6.
