Subject: Incomplete Submission, RAI 4 for amendment request dated December 16, 2005
(NOTE: This will be used as the Documents Title in ADAMS)

Summary:

Spoke with Mr. Miller regarding the new 313A faxed on 3/20/06. Section 1 states that Dr. Bashyam is now requesting 35.500 authorization. I confirmed with Mr. Miller that this is a typographical mistake. Dr. Bashyam will be evaluated for 35.300 authorization as requested previously.

Confirmed with Mr. Miller that the preceptor signature in section 11d is Dr. Stephan Kowalyk. This was confirmed because the block for printing the preceptor's name is blank and Dr. Kowalyk's signature is not legible. In addition, it was identified during the review of all submitted data that Dr. Kowalyk's name is spelled differently on Westmoreland's license than it is on Mercy Jeannette's license. The correct spelling has been verified to be Stephan Kowalyk. The Mercy Jeannette license will be updated to reflect the correct spelling as currently listed on Westmoreland license 37-02894-02.

Also confirmed that an incorrect Gd-153 source model number was submitted by Mr. Miller in his previous requests for 35.500 to be added to their license. Mr. Miller stated that the correct model designation is NES-8426. I have verified this model number with the SDDR and it will be listed on the Mercy Jeannette license as requested.

Action Required: Issue license action based on additional information
