SUBJECT: WHITTAKER CORPORATION, VOIDANCE OF APPLICATION FOR LICENSE
AMENDMENT FOR DECOMMISSIONING PLAN, REV 1, CONTROL NO.
133596

Dear Mr. Lardiere:

This concerns the subject application for an Amendment to your material license. On August 7, 2003, you submitted Revision 1 of the Decommissioning Plan (DP) for your Greenville, Pennsylvania site. On a March 22, 2006 phone call, your radiation safety officer confirmed that you will be submitting a new DP for this facility in light of the different decommissioning methods that were proposed and the DCGLs that were approved for the site on September 20, 2005. Because you informed us that you no longer need the requested action for this version of the DP, we have voided your application. This action is taken without prejudice to the resubmission of your request.

Sincerely,

Original signed by Marie Miller
