GILIND

SOURCE MATERIAL LICENSE

Salmon River Uranium Development, Inc.
Box 333
Salmon, Idaho

License No. **7-4031**

Dated: **OCT 10 1954**

Gentlemen:

Pursuant to the Atomic Energy Act of 1954 and Section 40.21 of the Code of Federal Regulations, Title 10 - Atomic Energy, Chapter 1, Part 40 - Control of Source Material, you are hereby authorized to transfer and deliver possession of and title to raw source material from the claims listed in Schedule A, below, to any person licensed by the Atomic Energy Commission within the limits of his license.

This license does not authorize you to receive possession of or title to raw source material from any other person, except samples which are exempt from the governing regulations as set forth in Section 40.11 of the regulation.

The issuance of this license shall not be construed as constituting any determination by the AEC with respect to the right of the licensee to conduct mining operations on or to enter onto the property comprising the claims set forth in Schedule A below.

Neither this license nor any right under this license shall be assigned or otherwise transferred in violation of the provisions of the Atomic Energy Act of 1954.

This license is subject to the right of recapture or control reserved by Section 108 of the Atomic Energy Act of 1954, and to all of the other provisions of said Act, now or hereafter in effect and to all valid rules and regulations of the U. S. Atomic Energy Commission.

This license shall expire **October 31, 1957.**
