SOURCE MATERIAL LICENSE

License No. R-230

Dated: MAR 30 1959

Salmon River Uranium Development, Inc.  
Box 333  
Salmon, Idaho

Gentlemen:

Pursuant to the Atomic Energy Act of 1954 and Section 40.21 of the Code of Federal Regulations, Title 10 - Atomic Energy, Chapter 1, Part 40 - Control of Source Material, you are hereby licensed to receive possession of and title to raw source material without limitation as to quantity for resale and for processing with raw source material from your own mining operations at your plant located at North Fork, Idaho.

You are further licensed to transfer and deliver possession of and title to refined source material to any person licensed by the Atomic Energy Commission, within the limits of his license.

As a condition of this license, you are required to maintain records of your inventories, receipts and transfers of refined source material.

The issuance of this license does not constitute any agreement by the Commission to purchase ores and/or concentrates or other products from the licensee.

This license is subject to all the provisions of the Atomic Energy Act of 1954 now or hereafter in effect and to all valid rules and regulations of the U. S. Atomic Energy Commission, including 10 CFR 20, "Standards for Protection Against Radiation".

Neither this license nor any right under this license shall be assigned or otherwise transferred in violation of the provisions of the Atomic Energy Act of 1954.

This license shall expire June 30, 1959.
