Subject: (NOTE: This will be used as the Documents Title in ADAMS)	Status of surveys.	
Summary:	<p>I left a message on Mr. Fogle's voice-mail for him to get back in touch with me.</p> <p>13:00 I spoke with Mr. Williams about the progress of the decommissioning survey for part of the licensee's facility. He stated that the survey has been completed but the report is not finished. The pressing need for the amendment is not as critical because the owner and the lessor have to clear some legal hurdles and settlement is not expected before the end of April 2006. I thanked him for the information and told him that I have ninety days to complete the action or void it. The action is currently at fifty days. Mr. Williams stated that the report would be completed and sent in well before the ninety day time limit.</p>
