**RE: Amendment Request to License Number 37-06864-06**

Dear Dr. Gabriel:

This letter is in regard to request that our radioactive material license be amended to add Xunqing (Jennifer) Zhu, M.S. as an authorized medical physicist for gamma knife procedures dated February 24, 2006. We would like to withdraw the amendment request as Ms. Zhu has taken a position in another institution.

I apologize for any inconvenience that we may have caused you.

I may be reached by phone at (215) 829-3865 or by e-mail at shabasol@pahosp.com.

Sincerely yours,

A handwritten signature in black ink, appearing to read "Leonard Shabason". The signature is written in a cursive style with a horizontal line extending to the right.
