Reference: Idaho License No. 11-22727-01

Dear Mr. Whitten:

Pursuant to the provisions authorizing research and development on the above referenced radioactive materials license, I wish to remove the three authorized users at the Massey Elk Run Coal Mine in Sylvester, West Virginia, Mr. Scott Burdette, Mr. Marshall Birchfield, and Mr. Greg Taylor.

Dear Mr. Whitten:

Pursuant to the provisions of research and development, SABIA has operated a new designed device at Massey Coal Company, in Sylvester, West Virginia.

This week, the Californium-252 sources have been removed from this device. I have attached a letter requesting the removal of this site and the three authorized users.

Thank you.

James F. Miller

R.S.O.

DATE

This is to acknowledge the receipt of your letter/application dated 03-15-00, and to inform you that the initial processing, which includes an administrative review, has been performed.

There were no administrative omissions. Your application will be assigned to a technical reviewer. Please note that the technical review may identify additional omissions or require additional information.

Please provide to this office within 30 days of your receipt of this card:

The action you requested is normally processed within 90 days.

A copy of your action has been forwarded to our License Fee & Accounts Receivable Branch, who will contact you separately if there is a fee issue involved.

Your action has been assigned **Mail Control Number** 478914.
When calling to inquire about this action, please refer to this mail control number.
You may call me at 817-860-8103.

Sincerely,

Licensing Assistant
