UNITED STATES  
NUCLEAR REGULATORY COMMISSION  
WASHINGTON, D.C. 20555-0001

December 4, 1996

MEMORANDUM TO: Leonard J. Callan, Regional Administrator  
Region IV

Donald M. Cool, Director  
Division of Industrial Medical Nuclear Safety  
Office of Nuclear Material Safety  
and Safeguards

Jack R. Goldberg, Deputy Assistant General  
Counsel for Enforcement  
Office of the General Counsel

FROM: James Lieberman, Director *for*  
Office of Enforcement

SUBJECT: OI REPORT 4-96-022; RE: UNITED NUCLEAR CORPORATION

The above captioned OI report involves alleged falsification of employee training records, unauthorized release of contaminated equipment, failure to properly clean a contaminated area, and disposal of contaminated material in the licensee's fuel storage tank. OI did not substantiate any of the allegations. Therefore, enforcement action is not appropriate in this case.

I do not intend to request an OGC analysis of this report. We will consider the matter closed unless we receive a different view within three weeks of the date of this memorandum. Please contact Nader L. Mamish of my staff with any comments.
