Summary:	<p>Mr. Yakes called and left a message on my voice-mail about questions concerning his license.</p> <p>I returned Mr. Yakes call. He wanted to know what information was needed to make him the Radiation Safety Officer. I provided him with the information and asked if the listed RSO was still with the company. Mr. Yakes stated that the listed RSO had left the company in October 2005 and he had been chosen to replace him. I went over the license with Mr. Yakes and determined that one other change needed to be submitted, i.e., the names of the manufacturer(s) and model numbers of sealed sources possessed by the licensee. Mr. Yakes agreed to include the information in the amendment request.</p>
