Dear Ms. Bruemmer:

On behalf of the Organization of Agreement States (OAS) Executive Board and all our members, I would like to congratulate you and the entire Minnesota Radiation Control Program on Minnesota's new status as an Agreement State, and welcome you to the OAS in your new capacity as an Agreement State Radiation Control Program Director.

Having participated for many years in OAS activities, I know you are aware that the OAS is committed to the improvement of radiation regulation nationwide, and to fostering a cooperative and productive partnership among the Agreement States, with the U.S. Nuclear Regulatory Commission, and with other Federal, State and Local agencies involved in the regulation of radioactive materials. We look forward to your continued participation in our efforts, and hope that you will be able to join us at the OAS Annual Meeting, September 25 - 29, 2006 in Mobile, Alabama.

Congratulations again, and please contact me at any time if OAS can assist with any issues or concerns related to Minnesota's Agreement State program.

Sincerely,

Barbara L. Hamrick, Chair
