Mr. Lodhi:

Pursuant to our conversation on April 3, 2006, attached is the notification of the intent to change ownership and name of the Process Diagnostic Division of Quest TruTec, LP. As discussed, the tentative closing date is April 7, 2006. Subsequently, it would be greatly appreciated if the Commission's review of the attached notification could be expedited. Please do not hesitate to contact me if additional information is required.

Best regards,

Norman P. Lanier  
Corporate Radiation Safety Officer

RE: License No. 07-28386-01  
Transfer of Control Notification

Dear Mr. Lodhi:

Subsequent to our conversation on April 3, 2006, this letter is to serve as notification of Quest TruTec's intent to transfer control of the above referenced license number. The anticipated transfer date is April 7, 2006. To ensure a smooth transfer of the license and a non-interruption in Quest TruTec's ability to continue to perform licensed activities, Quest Tru-Tec is requesting **prior written consent** pursuant to the guidelines of NUREG-1556, Vol. 15.

Listed below is the information required for pre-approval for transfer of control, specified in Appendix F of NUREG-1556, Vol. 15:

1. Quest TruTec will be transferring all personnel, equipment and sources of radiation to the control of Tracerco, a business unit of Johnson Matthey, Inc. Tracerco provides the same service line as Quest TruTec and is a Texas licensee. Upon completion of the transfer, a license amendment request will be submitted to change the licensee name to **Tracerco, a business unit of Johnson Matthey, Inc.**
2. There will be no changes in personnel that relate to the licensed program, including the Radiation Safety Officer, authorized users, and persons identified on Quest TruTec's license. There will be no changes in duties of personnel that relates to the licensed program. It is anticipated that additional personnel from the Tracerco work force will be added as authorized users. Such additions will comply with Quest TruTec's current radiation protection program.
3. There will be no changes in the organization, location, facilities, equipment or procedures that relate to the licensed program.
4. The status of the surveillance program, as outlined in Quest TruTec's current procedures, are up-to-date and will remain so prior to and after the control is transferred.

Quest TruTec, LP – License No. 07-28386-01  
April 4, 2006

Pg. 2 of 2

5. The transfer of control will not result in the decommissioning of any Quest TruTec facility. Tracerco will maintain all records pertaining to Quest TruTec's radiation protection program.
6. There are no open inspection or enforcement issues to be resolved.

It should be noted that while Quest TruTec is requesting pre-approval of the transfer of control of its license, control will not be transferred until the date of acquisition by Johnson Matthey Inc.

Best regards,

Norman P. Lanier  
Quest TruTec, LP, Transferor  
Corporate Radiation Safety Officer

Gary Lee  
Quest TruTec, LP, Transferor  
General Manager, Process Diagnostics

#### Transferee Acknowledgement

Tracerco, a business unit of Johnson Matthey, Inc., the proposed transferee of Quest TruTec license No. 07-28386-01 confirms within this letter to:

- (a) Commit to maintaining all records concerning the safe and effective decommissioning of the Quest TruTec Delaware and Indiana facilities as required in NUREG-1556, Vol. 15, Section 5.5. Such records will remain at Tracerco's principal office and within the direct control of Tracerco.
- (b) Agree to abide by all constraints, license conditions, requirements, representations, and commitments identified in and attributed to Quest TruTec's existing license No. 07-28386-01 as required in NUREG-1556, Vol. 15, Section 5.6.

Paul Hewitt, Business Manager – The Americas  
Tracerco, a business unit of Johnson Matthey, Inc.
