

Release

From: Anne Boland *R111*
To: Peter Habighorst
Date: 12/29/05 3:06PM
Subject: Braidwood Info

Per our discussion - the attached should provide you the additional information that you requested. Please recognize that some of it is very preliminary regarding the 1998/2000 spills and the inspection staff will pursue the historical actions in further detail during upcoming inspections.

We also incorporated the new Q&A in the comm plan which should be out shortly.

Let us know if you have any questions.

Anne T. Boland, Deputy Director
Division of Reactor Safety
NRC Region III
630-829-9701
