Dear Mr. Boyle:

This letter is to acknowledge receipt of the email from Mr. Michael Conroy dated February 16, 2006, requesting our review of the Department of Energy request for exemption dated October 13, 2005.

We have established a schedule for the technical review you requested. The schedule allows for the staff to issue a request for additional information (RAI) in May 2006. If no RAI is needed, our recommendation and Safety Evaluation Report may be issued approximately at that time. In general, no changes or supplements to this application should be submitted, except in response to an RAI.
