TEMPLATE - ADM001

SISP REVIEW COMPLETE

ADM002

The purpose of this bilateral modification is to (1) obligate incremental funds in the amount of \$100,000 and (2) increase the estimated cost in the base year period. The increase in the estimated cost is because of the NRC's accelerated delivery schedule. Accordingly, the contract is modified as follows:

1. Section B.3, Consideration and Obligation-Cost Reimbursement (JUN 1988) Alternate I (JUN 1988) paragraph (a) (b) and (c) is deleted in their entirety and the following paragraphs are substituted in lieu thereof:

"(a) The total estimated cost to the Government for full performance under this contract is \$215,546.

(b) The amount presently obligated by the Government with respect to this contract is \$204,000.

(c) It is estimated that the amount currently allotted will cover performance through June 2, 2006."

All other terms and conditions of the contract remain unchanged.

A summary of obligations for this contract from the date of award through the date of this action is provided below:

Total F-Y 2005 Obligation Amount:	\$104,000
Total F-Y 2006 Obligation Amount:	\$100,000
Cumulative Total of NRC Obligations:	\$204,000

This modification obligates fiscal year funds in the amount of \$100,000.
