Attention: Mr. John G. Moore, Vice President

Gentlemen:

In April 26, 1957 we inadvertently issued Amendment No. 1 dated April 26, 1957 to your license C-2734 for a total of 7,600 pounds of refined source material, not realizing that Amendment No. 1 had been issued on March 19, 1957.

The enclosed AEC Source Material License No. C-2734, Amendment No. 2 hereby cancels Amendment No. 1, dated April 26, 1957 and also corrects the total amount of source material you are licensed to receive under this license.

Very truly yours,

and
