Subject: Chicago Tribune Article Regarding Braidwood Tritium

Greetings,

The Chicago Tribune ran an article on the front page today regarding the tritium contamination at Braidwood. The article can be found at:

<http://www.chicagotribune.com/features/health/chi-0601250209jan25,1,4763314.story>

I've also provided a text copy in the attachment that provides a cleaner print.

Thank you,

Steve
